A 'Plaything' For Kids

CITY Engineer Bill Chapman gives a welcoming pat to Marchbanks Park's newest addition, this 19,000-pound anti-aircraft gun. The artillery piece, installed and assembled Monday of last week, is a World War II relic. Chapman and public works department helpers who towed the big gun back from the Benicia, California, Army Depot, panicked when they saw it in its dis-assembled state, and sent out an appeal to any or all veteran artillerymen in the area to lend a hand. More than a half-dozen "old timers" turned out. The man who best proved he knew a nut from a bolt was Earl H. Cohen, 655 Skyline drive. Cohen, an Anti-Aircraft Artillery veteran, assembled the piece within two hours. The gun, Chapman assures, will be "safe for children. All moving parts have been welded solid, and all tubes and other protuberances removed.

MANAGER PREDICTS COUNTY TAX WILL DROP TEN CENTS!

This should be welcome news to property owners.

County Manager E. R. Stalling this week indicated that a 10-cent cut in the county tax rate may be possible next fiscal year, starting July 1.

The present rate is $1.78 per $100 assessed valuation, but the recently enacted sales tax will provide funds for all capital improvements.

Stallings has instructed all departments heads to keep their new budget requests at a minimum.

County population, according to Stallings, was 460,000 last January 1. The count will be about 482,000 a year from now, he estimated.

Hospital Funds

Mayors To Seek More 'Priority'

The "Mayors Hospital Committee" has requested the Bureau of Hospitals of the State Department of Public Health to create a new general hospital service area in northern San Mateo County, Councilman Leo J. Ryan of South San Francisco revealed today.

If approved, this would place the North County District on a higher priority level for federal and state aid for hospital construction under the Hill-Burton program and would expedite the establishment of a much needed community health facility, Ryan explained.

After considerable study of the hospital needs of the area, planning factors and projections of future growth, the committee prepared a lengthy report which is now being studied by the Bureau of Hospitals. Many public, civic and medical groups have expressed keen interest and support of the proposal, which will come up for decision at the next public hearing of the State Advisory Hospital Council, to be held in Los Angeles on February 9 and 10.

The Mayors Hospital Committee proposes that the county census divisions of Daly City, Bayshore, Brisbane, South San Francisco and Pacifica be declared a separate hospital service area.

"Their study shows that a minimum of 360 beds are needed now to serve the 120,000 population in this area and emphasises the necessity for immediate planning so that the establishment of a Community Health Center able to render high standard care can be expedited," Ryan concluded.

Daly City's Chamber of Commerce learned again last week that "plans are moving ahead" for a new hospital here, but just "where" and "when" haven't been determined.

Frank Curry, Chamber vice president and chairman of the unit's hospital committee, announced that Mary's Help of San Francisco "definitely will transfer to Daly City."

"Mary's Help officials decided not to purchase from Hugh Smith Jr. the 6½-acre site east of Hillside boulevard on the plateau, but several other possible sites in Daly City are under study," Curry revealed. "We think Daly City is the most feasible place for this new $10 million hospital to serve the north county."

Smith, co-owner of the Mission street motel and a major propertyowner here, told Chambermen that his parcel has been sought for a hospital "by another group . . . and I've also been sounded out by a firm that wants to build apartments on the site."

Smith did not identify "the other group" interested in a hospital, but he later told the newspaper this group is not the North County Hospital Study Committee. The latter unit has been working the past two years for the establishment of a north county hospital district. It is composed of officials and residents of Daly City, Pacifica and South San Francisco.

Smith explained that his earlier negotiation with Mary's Help for the east-side plateau site "was called off last September 27."

"Mary's Help put money in escrow for the site, but apparently they felt there would be too many complications in obtaining clear title and proper zoning on a portion of the site," Smith said.

Smith noted that the 6½-acre parcel is presently zoned C-2 (allowing a hospital) except for about one acre which is zoned R-1 (for homes). A petition against the hospital was signed by more than a dozen home owners next to the R-1 strip when these residents learned that Mary's Help was planning to construct on the R-1 lots as well as the C-2 parcels.

Smith contends that Mary's Help could have used the R-1 strip for parking "as this is allowed under present city zoning standards."

He said the new group interested in the site for a hospital would attempt to utilize the R-1 lots for parking and confine construction to the C-2 area.

Asked if he thought the same petitioners would protest a new

Council On Record For Establishment Of 'Hospital Area'

Daly City councilmen by special resolution Monday night went on record for the creation of a north county hospital service area to assure higher priority for federal funds—a "must" if an adequate hospital to serve the residents of Daly City, Pacifica and South San Francisco is to become a reality. Mayor Frank Pacelli said the North County Mayors Committee will request the new service area next month when the Bureau of Hospitals convenes in Los Angeles. Population in the new service area would be projected to 1980.

Councilmen Okay 2% Salary Boosts For All Employees

Daly City municipal employees' requested mid-fiscal year pay hikes received council approval Monday night by a 4-0 vote.

The council ratified the personnel board's recommendation for two percent across the board boosts for the 200 workers—covering January through June this year.

The verdict brought the appropriation of $11,858 in general fund reserves to pay for the extra salaries.

Mayor Frank Pacelli commented: "In okaying the salary increases tonight, the council actually is going along with the original recommendation of the personnel board last year."

This recommendation was that the employees for the fiscal year starting last July and ending this June would get two 2½ percent boosts, the second effective January 1 this year.

Instead, the council last budget time approved only a flat three percent boost for the entire fiscal year.

Monday night's authorization means for the entire fiscal year the employees will have realized a 3.75 percent salary increase.

Pacelli pointed out that fringe benefits, requested again last month by the Police and Fire Association, "should be brought up at budget time—not in the middle of the fiscal year."

Councilman Bob St. Clair said the council's approval of the mid-year hikes "was what we contemplated last summer—first a 3 percent jump and then a possible adjustment the final six months of this fiscal year."

To pay for the additional

Baby Wounds Self With Dad's Gun

A 2-year-old boy was wounded when he accidentally fired a loaded revolver into his foot at the home of his parents last weekend.

The child, Jeffrey D. Witcher, and his parents were just moving into a new apartment at 6596 Mission street when the incident occurred at approximately 1:30 p.m. Saturday. His mother, Mrs. James Witcher, on crutches following a recent foot injury, had left Jeffrey on a bed in the apartment and then gone outside, to carry in some luggage. The boy apparently found his fathers' gun lying in an open suitcase on the bed. When he picked it up, it discharged, sending a bullet through his left foot.

The accident was reported to police by Virgil Mercurio, calling from the Atlas Glass Company next door, at 6596 Mission street.

The child's father, James Witcher, employed with the Bureau of Public Roads, U. S. Department of Commerce, was reportedly not at home at the time.

Jeffrey was rushed to Junipero Serra Hospital by ambulance.

CITY'S BUILDING PERMITS DROPPED IN DECEMBER

Only 48 city building permits were issued during the month of December, assistant city building inspector Maurice Clark announced late last week. Total values amounted to $281,803.

Seven permits applied to homes. Of these, three went to McKeon Company, for building in St. Francis Heights; one to Trans-City Company, San Francisco; and three to California Modern Buildings, San Francisco.

Thirty-five permits were issued for alteration of dwellings, and two to Henry Doelger for new commercial buildings, one a nursery and one in the Westlake Shopping Center.

Three permits went toward alteration of commercial buildings.

Council Orders Boa Constrictor Removed, 'He's Public Nuisance'

Joseph Hennessey's five-foot boa constrictor constitutes a public nuisance and must be abated.

So ruled the Daly City council Monday night in a resolution after a reptilian report by City Attorney Paul Hupf.

Hupf said he checked with the curator of Steinhardt Aquarium "and he convinced me that a serpent this size is no longer a pet."

"The snake constitutes a threat to the health and welfare of Hennessey's neighbors," Hupf opined, "and because of this it should be removed."

Hupf decreed that Hennessey, 61 Grandview avenue, will be given 10 days notice to dispose of the boa. He set next Tuesday, January 31, at 2 p.m. for a hearing at City Hall with Hennessey.

"If Mr. Hennessey refuses to get rid of the snake, that is, remove it from Daly City, then we will have to institute legal proceedings," Hupf finalized.

Fourteen of Hennessey's neighbors have signed a complaint against the 2½-year-old reptile. One woman said the long fellow "frightened" her two children, causing them to have nightmares.

Hupf said he learned that the snake is kept in a glass enclosed bookcase but is "let out in the backyard at least once a day."

The neighbors all are aware of the boa's presence and fear it might get loose, the council was informed.

Hennessey, however, contends the "pet" is harmless, and he claims there's no law against keeping a boa constrictor.

Tidewater Gets City Fuel Pact: 15¢ A Gallon

Tidewater Oil Company submitted the low bid and Monday night was awarded the contract for supplying the city of Daly City with gas and lubricants for a 12-months period beginning February 1.

Tidewater's asking price per gallon of gas was .1527 cents, .176 for diesel fuel, .424 for oil, and .253 for kerosene.

City Manager Edward Frank noted that Tidewater's price for gas was one cent lower than Texaco's, the city's supplier for the present fiscal year.

Other low bids weighed this time were Signal Oil's .1555 cents per gallon, and Richfield's .156 cents per gallon.

The city's gasoline is stored at the City Corporation Yard, Citrus and Niantic, and at Central Fire Station in Westlake.

Finance Director Joseph Arch said in the present fiscal budget $14,400 is earmarked for gasoline and $600 for oil.

SCHOOL BOARD RACES

Mrs. Mullen Files For Re-election; Deadline For Candidates March 17

Mrs. Katherine Mullen, member of the Jefferson Elementary School District board of trustees since July of 1954, has filed for re-election in the balloting set for April 18.

The housewife, who resides at 704 Stoneyford drive, Colma, is the first local resident to file papers of candidacy.

Mrs. Mullen's term and those of trustees Frank R. Verducci, 70 Westdale avenue, and Thomas F. Noonan, 476 El Dorado drive, expire this June. Verducci, a junior high school teacher, and Noonan, a telephone company executive, are completing their first four-year terms on the elementary board.

There will be four openings on the five-member Jefferson high school district board. Terms of chairman Lyal Ingersoll, Mrs. John A. Eason and Elio A. Fontana end this year.

Ingersoll, a contractor and carpenter, resides at 439 Crocker avenue. Mrs. Eason, a housewife at 199 Westlake avenue, also is a member of Daly City's parks and recreation commission. Fontana, owner of a monument company and active in the Daly City Chamber of Commerce and the Lions Club, lives in Colma at 102 Alder avenue. He formerly was chairman of the high school board.

The fourth opening on the high school board was caused by the resignation of Dr. Robert Rockstein of Pacifica. He is moving to San Diego. Fifth member of the present board is James Cooper of Pacifica.

Terms of elementary district trustees Otis Wayne Douglas, an attorney who lives at 1147 Southgate avenue in Westlake, and Joseph Lewkowitz, city treasurer of Daly City and a resident of 501 Vista Grande avenue, expire next year.

The filing deadline for all trustee candidates is March 17 at 5 p.m. at the county schools' office in Redwood City. Papers of candidacy can be obtained there.

Two Housewives Appointed To Library Board

Daly City councilmen filled two long-standing vacancies on the library commission Monday night by unanimous votes.

Appointed were Mrs. U. R. Kendree, 80 Montrose avenue, and Mrs. Mayre Albert, 3 Royce way.

Councilman Edward J. Dennis nominated Mrs. Kendree, pioneer member of the Friends of the Library and wife of the Westlake Shopping Center manager.

Mrs. Albert, a housewife "who has attended city government meetings with unprecedented regularity," was nominated by Councilman Bob St. Clair.

Other members of the library commission are chairman Lionel Farber, Mrs. Maude Hanselman and Mrs. Sarah Kelechava.

'Dimes' March In DC & Colma Next Tuesday!

Twenty housewives, neighborhood chairmen in the "New March of Dimes" drive, will spearhead a door-to-door appeal in the Daly City-Colma area next Tuesday evening, January 31, from 7 to 8 o'clock.

Persons wishing to donate to the battle against polio, arthritis and crippling birth defects are asked to leave their porch lights on to facilitate the work of the many volunteers.

Local chairman is Mrs. Pearl Bloom, 27 Midvale, St. Francis Heights.

Her goal: "At least 10 cents from every home and we will consider the effort successful."

Council To Discuss Two New Ordinances

Daly City councilmen will meet in special session next Monday night at 7:30 o'clock to discuss the new zoning and subdivision ordinances. Both documents are of major significance to local property owners.

The public is welcome to attend the January 30 meeting at City Hall, 75 Wellington avenue.

Lewkowitz Leaving Gas Station Business To Join Auto Firm

Joseph Lewkowitz, city treasurer of Daly City and a local resident the past 20 years, today announced that he is leaving the service station business to become a new car salesman.

The 51-year-old elementary school board trustee said he has sold his Richfield Super Service Station at the corner of Bepler and San Jose avenue to Wilshire Oil Company. The new owners will take over on February 1.

Lewkowitz soon will join the auto sales staff of James E.

Jeff Student 'Hero' In Removing Family From Westlake Fire

A young housewife and her two daughters were saved from certain fatality Saturday morning in St. Francis Heights when an inquisitive high school youth alerted the woman that her house was on fire.

The rescuer was Donald Sereni, 18-year-old son of Al Sereni, president of the Daly City Scavenger Company. Riding through the neighborhood about 8:15 a.m. en route to work with the scavengers, young Sereni stopped in front of 163 Camelia drive when he noticed what he first thought was "steam" coming from the residence. He then stopped his pick-up truck and ran to the front door when the steam turned out to be smoke.

The Jefferson High senior knocked on the door, then banged on it when there was no response. Finally, a trembling Mrs. Betty Martinonik answered and said she had just noticed the fire in her bedroom.

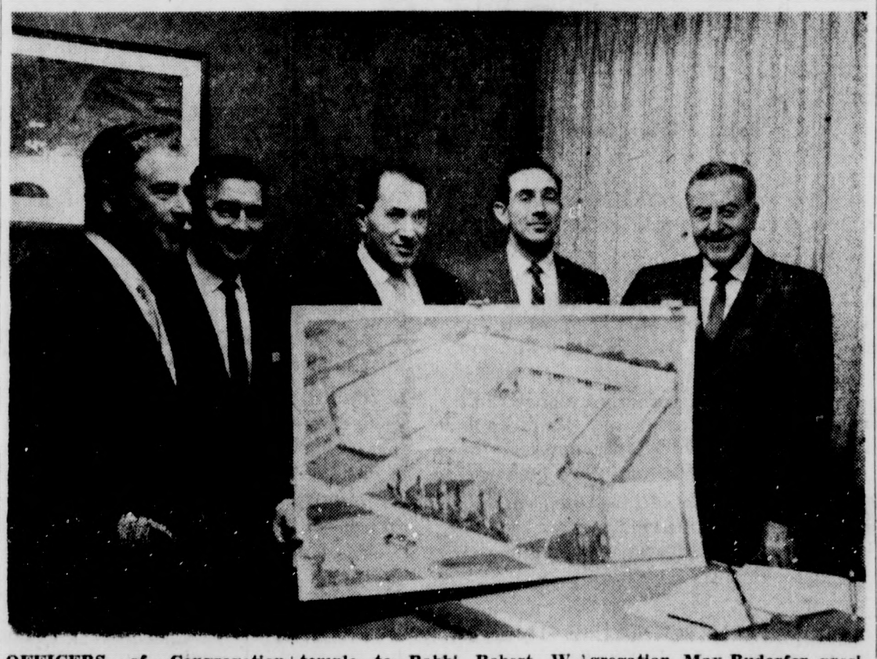
Donald quickly told her to phone the fire department. Then he rushed into another bedroom and aroused two small daughters, escorting them outside to his truck. Also removed from the smoke-shrouded residence were the family dog, cat and birds.

Bttn. Fire Chief Mel Hanson said it didn't take long for firemen to check the blaze. It apparently resulted from a cigarette in the woman's bedroom. The damage, most of it caused by the smoke, amounted to about $800, according to Hansen.

The housewife said she had been up most of the night studying for college exams, Hansen revealed. She admittedly left her bedroom about 4 a.m. and went to sleep on a couch in the den.

Hanson said that if it hadn't been for young Sereni, the three occupants of the home could have been victims of asphyxiation.

As things turned out, the mother and her children required no hospital treatment.



OFFICERS of Congregation Judea met in the offices of Henry Doelger, Westlake builder, Tuesday to join Doelger in the presentation of drawings of the Congregation's magnificent new temple to Rabbi Robert W. Shapiro. Doelger has offered to build the $750,000 synagogue at cost of construction. Left to right, Hillard Goldstein, second vice president of the Congregation, Max Rudorfer, president, Fred Gruen, first vice president, Rabbi Shapiro and Henry Doelger.

New DC Police Sergeant Scored High On Exam

Gordon Sims, a native of Pennsylvania with several years police experience in the state of Virginia, both in uniform and as an undercover man, joined the ranks of Daly City's police force Monday of last week.

Sims, 30, spent the first few days orienting himself with office procedure, but will probably have "moved out into the open" this week.

The new police sergeant, reports Phil Brown, assistant city manager, "did very well" on his qualifying exam. Sims ranked highest out of 68 applicants, with a final score of 90.7. "Only 19 of the men passed the written phase of the examination," Brown related, "and nine got by the oral."

Brown explained that examination performance isn't the only criterion in selecting a new officer—that is, a person with a lower score might be picked who was exceptionally qualified in some other respect.

"However," he said, "in this case our best candidate was the highest scorer."

Sims, who lives temporarily in San Francisco, revealed that he will be married within a few months. At that time he will settle permanently in Daly City.

'New North County Junior College Ready By 1968'

"Our schedule calls for opening the north county junior college in Pacific Heights by 1968, but it could be sooner."

This was the report of Dr. Julio Bortolazzo, president of the College of San Mateo and junior college district, when he appeared at last week's Daly City Chamber of Commerce meeting.

The new junior college, to be located off Skyline boulevard, will have a campus of 110 acres.

Bortolazzo, an honorary member of the DC Chamber, also noted the enrollment problems of Daly City's two school districts.

He said county school enrollment this year included 2000 more elementary students—half of these in Jefferson Elementary School District.

The JESD's enrollment jumped 14 percent over the previous year.

Jefferson High School District's enrollment shot up 18 percent.

Both local districts led the county in the percentage of pupil increases!

School Board May Decide Penalty For Lazy Student

A section, heretofore unused, of the Jefferson High School District's recently adopted discipline policy may be executed for the first time next month, superintendent Edward D. Morgan announced Monday night.

"Portions of the policy, drawn up approximately one year ago, have already been put into use," Morgan pointed out. "However, the time has now come when we will probably apply that section dealing with what we call 'the sitter.'" "The sitter," he explained, is the student who is considered by his teachers and parents to be capable, but absolutely refuses to work. He may be described as obstinate and defiant. In short, he (or she, as the case may be) challenges the authority of his instructors who assign him the work he himself knows he can perform.

"Such an individual should be distinguished from the person who clearly does not have the mental or emotional capacity to do his work,' Morgan explained. "Students in the latter class are entitled to special remedial aid."

Morgan stated that the name of a particular student, observed to be a "sitter," will undoubtedly be brought before the Board of Trustees next month. The Board will probably decide upon whatever punitive action must be taken, which, in this case, Morgan indicated, may have to be expulsion from school. A lesser penalty, suspension, need not be approved by the board.

Since 1947 the value of California's manufacturing has more than tripled, to an estimated $13 billion annually.

wages, the council transfered $8837 from general fund unbudgeted reserve, $1039 from parks and recreation, $493 from the library fund, and $1489 from the water department.

Also transferred or reappropriated by resolution Monday night was $19,400 in the water department, "shifted" to pay for new water mains in advance of the Fire Underwriters Survey in March. The city manager said the new mains should help to reduce Daly City's fire coverage deficiency points and thus lower local insurance rates. The $19,400 water funds shift will mean the delay on other planned water department projects this fiscal year. But the council believes the new mains are essential at this time.

The budget transfers Monday night also included $5133 from general fund reserve to pay the city's share of Frankfort street improvements, $750 from parks and recreation for a new fence at Palisades park, and $500 from the general fund for repairs to the heating system at City Hall.

Councilman Joseph Verducci was absent from Monday's meeting. He was attending a Boy Scout regional conference in San Francisco.

BRISBANE School Bond Committee members discuss with Robert Smice, left, North County citizens committee chairman, ways of assuring successful passage of the Jefferson-Brisbane district bond issues February 7. Allen Rigler, right, Brisbane chairman, and Mrs. Ruby Gylfe, center, are campaigning for "yes" votes in the coming election. If the issue is passed, $375,000 in local bond funds and $900,000 in State loan funds will be available for purchasing and developing a new school in the community's Southern Hills area, plus adding four new classrooms to the existing elementary school.

Donahue, long-time Plymouth dealer at the top of the hill.

The city treasurer has been in the gas station business the past 14 years. He took over his present station almost 13 years ago.

Lewkowitz, a member of the school board the past eight years, was elected to the four-year term of city treasurer last year.

He also said he is moving from 501 Vista Grande avenue to St. Francis Heights.

Lewkowitz and his wife, Dolly, have seven children.

Children Escape With $220 In Ladies' Sweaters

Two young girls, accompanied by a miniature French poodle, reportedly walked out of a fashionable Westlake clothing shop Monday afternoon with an estimated $220 in cashmere sweaters.

Mrs. June Sargis, 40, manager of Casual aire of Westlake, 365 South Mayfair avenue, told Daly City police she had been engaged with a customer in the lingerie section of the store when she noticed the two suspects enter. Her suspicions were aroused when she noticed the older girl carrying a large paper shopping bag. Before Mrs. Sargis had an opportunity to question the girls, they had left the store. She found several sweater hangers empty, which verified the theft, since, according to Mrs. Sargis, store rules do not permit the display of empty hangers.

She described one of the girls as approximately 16 years old, tall and thin, with dirty blond hair, wearing green pedal pushers. Her younger accomplice, about 8, with long dark hair, wore a white blouse and a gray pleated skirt. They were accompanied by an unleashed black poodle.

Seven sweaters of assorted colors and sizes were reported missing. Mrs. Sargis feels that because the sweaters are "far too big" for either of the girls, the shoplifters may attempt to resell or "exchange" them at other stores.

A police check revealed that two girls matching the suspects' descriptions had been spotted in two drug stores in the area.

What The Council Did

(Regular meeting, Monday night, January 23)

PRESENT: Mayor Pacelli, Councilmen DeBernardi, Dennis and St. Clair. Absent: Councilman Verducci.

PUBLIC HEARING: No protests on application of Gateway Chevrolet to rezone propperty on Hill street from R-3 to C-2. Council approved the rezoning by 4-0 vote.

AWARDS OF BIDS: Low bidder, Tidewater Oil, was granted gas and oil contract for city vehicles. Contract runs from February 1, this year, to February 1, 1962. Council approved award to Tidewater by 3-0 vote. Councilman DeBernardi abstained.

Approved sale, to high bidders, of two city jeeps, a motor and a Bruning machine — vehicles and equipment no longer in financially feasible operating condition. The jeeps sold for $259 and $236, and the motor for $36.

RESOLUTIONS: By unanimous vote, council granted 2 per cent salary increases to all city of Daly City employees, concurring with recommendation of personnel board. Pay increases retroactive to January 1 this year and end June 30, 1961. The salary hikes total $11,858.

Authorized transfer of $8837 from general fund, $1039 from parks and recreation, $493 from library, and $1489 from water to pay for additional salaries.

Authorized budget transfer of $5188 to pay for city's share of Frankfort street improvements.

Authorized transfer of $750 from parks and recreation fund to pay for new fence at Palisades park.

Authorized transfer of $500 from the general fund for boiler repairs at City Hall.

Authorized transfer of $19,400 in water fund to pay for new water mains.

Authorized city attorney to proceed with abatement proceedings involving boa constrictor owned by Joseph Hennessey, 61 Grandview avenue. Hennessey will be given 10 days to remove the snake from Daly City. He has been called to a hearing set for next Tuesday at 2 p.m. at City Hall.

Authorized resolution favoring the establishment of a new north county hospital service area, a proposal that will be made by the Mayors Hospital Committee at next month's Bureau of Hospitals meeting in Los Angeles. A new hospital service area will give the Daly City, Pacifica and South San Francisco district more priority in qualifying for federal hospital construction funds.

Approved and accepted final map of Southern Hills Subdivision 2-A, 140 lots for Standard Building Company's first section of homes in a planned 700-homes development on Daly City's northeasterly slope. Standard officials Monday night pledged full cooperation to guarantee stability of slopes in the hillside project.

PERMITS: Granted revocable use permit to Foster and Kleiser for construction of a billboard on Mission street.

Approved variance permit to reduce setback in front of proposed new pump house from 15 to zero feet, requested by City Engineer Bill Chapman.

Referred application of Systematic Savings and Loan for sign height variance back to planning commission pending submission of a sketch of the proposed structure to the commission and the council.

NEW BUSINESS:

Confirmed agreement with First Western Bank for mail collection of city water-garbage bills, effective February 6. Residents soon will be receiving bills with return envelopes bearing a Daly City post office box number. First Western will get this mail and credit payments to the city's account. This new collection system cuts down on the amount of mail collection work in the finance office.

Appointed to the city library commission, by 4-0 vote, Mrs. U. R. Kendree, 80 Montrose avenue, and Mrs. Mayre Albert, 3 Royce way. The nominations were by Councilman Dennis and Councilman St. Clair, in that order.

"It was nothing... just a fire in the stove"

Are you sure that's all it was, Jim? You know, we might look at it as an exciting demonstration of *municipal bonds at work!*

Remember voting for the bond issue to build a new firehouse several years ago? At the time you said, "This is going to cost me money, but I guess we've got to have it." Then, when you renewed your fire insurance and found the rate was lower, you were pleased.

Think of what you saved today, Jim! Insurance money can't replace what you came near losing. Fortunately, the fire was nothing because municipal bonds gave your community the cash to put engines, equipment and firefighters near your house.

The Bank of America and its associated investment dealers bid on virtually all municipal bonds issued in the State because we have confidence in the future of California and communities like yours. These bonds finance fire-fighting equipment, schools, city government buildings, water and sewage facilities, etc.

Do you know what we at Bank of America do with the municipal bonds we buy? We add some of them to our own investment portfolio—and make the rest available for purchase. No one knows better than you do—living right there on the scene—what a sound investment they are!

If you'd like to make an investment in your community secured by its business, industry and by your neighbors, we suggest *municipal bonds issued in your area.* They're available in denominations of $1,000, pay you a good return and the income you receive is *tax free.* The manager of your local branch of the Bank of America will be glad to give you full information, or you may write to

TOWN HALL ASSOCIATION URGES 'NO' VOTE ON CHARTER REVISIONS

* * * * *

Want Extra Sales Tax Revenue Used To Reduce Property Taxes In Cities

County Charter Committee urges a "No" Vote in April. Of the 14 provisions of the new revised County Charter, to be voted upon by the electorate on April 18, the Town Hall Association recommends a No Vote on six of them and yes on the remainder.

These six which voters are asked to turn down, call for the abolishment of seven of the county elective offices, in favor of appointments by the San Mateo County manager. If carried, this would increase the appointive power of the county manager from 3 to 16 offices. And after a short time, they would take on civil service status, meaning practically life tenure.

"We believe that this provision in the revised charter is the result of an organized concerted effort to destroy county government," says C. Julian Wheeler, president of Town Hall.

Chairman Norman McKee and his committee made a two months study, holding seven meetings with an average committee attendance of 11 people. Many county offices were visited and first-hand studies made, according to McKee.

Extra Sales Tax Revenue Should Go to Reduce Property Taxes. The $7 or $7½ million extra revenue resulting from the increase of the sales tax from 3 cents to 4 cents in many parts of San Mateo County, should go largely for reducing property taxes, say the directors of Town Hall. This complete 4 cent tax was voted in by the supervisors of San Mateo County in December, without prior legal notice to the taxpayers. The only time voters had a chance to vote on the additional tax, was in Redwood City last year, when they turned it down by large majority. San Mateo City Councitl added the 1 cent to the sales tax without consulting voters.

Public is Invited to Attend Monthly Town Hall, Thursday night. In the Menlo Park City Council Chambers, Thursday evening, January 26, Judge Sylvester J. McAtee, who successfully led the fight against a county charter in Marin County, which proposed to abolish the election of county officials in favor of the appointive system, will speak before Town Hall. Norman McKee, chairman of the committee which studied the proposed Charter changes for San Mateo County, will discuss the disadvantages of the proposed changes.

Gifted High School Students Offered Courses At SF State

Seven senior students from the Jefferson Union High School District may begin taking courses at San Francisco State College next month, under a new "gifted collegiate program," it was revealed at the District Board of Trustees meeting Monday night.

The announcement came from Dr. John J. Ivan, district director of instruction. Dr. Ivan stated that the seven students who now qualify for the advanced instruction have not yet indicated whether they plan to take advantage of the opportunity.

"It'll depend upon how much additional study time each student feels he can afford. And of course, all must obtain their parents' approval. As far as we are concerned, though, they're cleared."

The program will be experimental to start with, Ivan explained. The high school students will not be identified to the college student body, only to their instructors and professors. They will receive full credit for the courses taken, which may be applied simultaneously to their present high school program now and as college credit in the future. The courses, probably two per semester, must be taken in addition to rather than in place of any high school subjects, therefore students will attend college classes in the afternoon. By next year Ivan hopes that, morning classes may be arranged.

Members of the Board of Trustees appeared enthusiastic over the program. Commented trustee Elio Fontana, "this may be the answer to the question 'what shall we do with all our gifted students?' This program will give them the outside attention they deserve."

Daly City Resident Appointed By Judge To County Post

Superior Judge Edmund Scott announced that Mrs. Eileen Budaeff of Daly City and Dan R. Love, Jr., former mayor of Burlingame, would be appointed members of the County Probation Committee, replacing Mrs. George Elliott of Pescadero and Arnold Pastorius of San Carlos, as of January 15. Mrs. Budaeff is active in social work in Daly City and is the widow of a former Daly City physician.

Judge Scott explained that he felt it necessary to make the new appointments rather than reappointing the incumbents in order to equalize the representation from the various judicial districts. Judge Scott pointed out that at the present time five of the seven members of the committee are residents of the Southern Judicial District

Legionnaires Set Two-Day 'Crutch' Sales

Scores of Legionnaires and their ladies in American Legion posts and the auxiliaries will be out in force this Friday and Saturday, offering multi-colored "Rainbow Crutch" lapel emblems again this week end for the 1961 "New March of Dimes" campaign now in progress through January 31.

The colorful emblems will be "sold" to the public by members of the American Legion throughout San Mateo County these two days, it was announced, in this annual important funds raising phase of the overall drive.

"In the past, the Legionnaires and women in their Auxiliaries in this county have raised thousands of dollars in this Rainbow Crutch event held during the March of Dimes drives each January," according to Ralph Prejean, past-commander of the post in San Mateo and county chairman for "Rainbow Crutch Days" in the 1961 campaign.

He added that "we all hope to go and do likewise this year again, getting dimes, quarters, dollars or anything persons desire to give in exchange for their Rainbow Crutch emblem of the continuing fight on polio, still far from licked despite the two new and safe vaccines, both developed by March of Dimes grants over recent years."

FRANCIS AGAIN URGES COUNTY STATE COLLEGE

Continuing a long effort, Assemblyman Louis Francis last week introduced a bill in the State Legislature to establish a four-year state college in San Mateo County.

Francis had introduced similar bills in 1957 and 1959, but each was referred to interim committees for study with other state college bills.

On introducing the bill, he said, "Based on facts, statistics, and merits, San Mateo County is entitled to a state college.

"Many of our qualified high school students at the present time are unable to gain admission to the two state colleges in the adjacent counties of San Francisco and Santa Clara because both of these state colleges are overcrowded and lack the necessary classroom space to handle additional students. As a result, our high school graduates are deprived of equal opportunities for higher education at the state college level."

Francis pointed out that both the Assembly and Senate Interim Committees in 1959 gave San Mateo County a "top priority." These committees recommended that a state college should be immediately established in San Mateo County and the necessary funds appropriated for the purpose of acquiring a site for the state college.

He further emphasized that San Mateo County ranked second in the rate of growth in counties of the entire nation, and that population studies clearly indicate this increase will continue.

Population figures cited by him show the county's growth to be 440,000 in 1960; 575,000 in 1965; and 690,000 in 1970.

"More important, however," Francis declared, "are the projected enrollments of students in San Mateo County School Districts. In 1959 there were 83,000 students enrolled in grades kindergarten through 12, and by 1965, it is estimated that there will be some 125,000 students enrolled."

According to statistics, there will be 7308 graduates from San Mateo County's high schools in 1962; 10,027 in 1965; and 14,875 in 1970.

Other pertinent statistics show in 1959 there were 730 San Mateo County residents as students at San Francisco State College and 918 at San Jose State College. In addition, 985 San Mateo County students were registered in the University of California Extension Division.

"These facts clearly indicate the great desire and need of a state college for higher education in San Mateo County," Francis asserted.

Blue-Gold Dinner And Derby Date Set By Pack 343

Cub Pack 343's annual Blue and Gold Dinner will be held on February 20. Mr. and Mrs. Alex Spieller will be in charge of this affair, which features Pinewood Derby races. Each of the Cubs makes a model racer to certain specifications, and it is raced on a specially constructed ramp in elimination matches with other model racers. Prizes are given for the most attractive car as well as for the fastest.

Den 8 presented the flag ceremony at the last meeting and Den 7 did an interesting Mexican skit in keeping with the theme of the month; "Our Southern Neighbors."

Many awards were earned by the Cubs at this meeting, but Den 2 received a very kind of award for their success as salesmen in the recent fund-raising candy sales. These had working boys have won a morning of bowling at the Westlake Bowl.

Cubmaster Ray Squires informed the group that there was an immediate need for one of the fathers to accept the leadership of the Webelos Den.

The Cubby Award for parent attendance at the meeting was won by Den 8.

School Bond Election Philosophy

'State Has The Money, Why Not Ask For It?'

The state of California's present fiscal budget earmarks $300 million for aid to schools.

In the words of School Superintendents Richard Foster and Edward Morgan, the big school bond election here February 7 boils down to one basic question:

"Shall part of this state money be used here?"

The two school chiefs headlined the Daly City Chamber of Commerce agenda last week. Each explained what "yes" votes will mean — adequate facilities for enrollment that has no parallel in rate of growth throughout the county.

Both Foster, elementary district, and Morgan, high school, emphasized that "yes" votes on the local bonds and state aid "won't increase local property taxes."

This is because both districts currently are repaying state aid at the maximum rate—and this same rate will continue at least until 1990. Also, the pair cited that persons who vote "no" on the bonds February 7 won't realize any reduction in their taxes.

Jefferson Elementary District seeks voter approval on $2.8 in local bonds and a $7 million state loan. This money will be used exclusively (on a timetable basis as the district becomes eligible for state aid) for the construction of seven new schools and additions to four present schools—all needed to house expected enrollment by 1965.

Jefferson High School District asks approval on $4 million in local bonds and a $1.5 state loan. This money will be needed to construct classrooms for 3627 "more" students expected by 1967 when the high school district's student population will climb to 9125.

The elementary district now has 8400 students. The figure will be 10,800 in 1964.

The high school district now has 3646 students. In 1967 this figure will almost be tripled.

By state law, school bond monies—state and local—can be used only for capital outlay—new classrooms, school furniture and equipment, school sites, architect fees, and repair of new structures.

If the bonds fail to muster two-thirds majority approval, the superintendents have only one answer: Double Sessions—possibly three years from now in the elementary district, and by 1963 or 1964 some or all of the high schools will be on the half-day schedule.

Mother Singers Chorus Taking Signups In SSF

Recreation, relaxation, the fun of creative group activity, cultural enjoyment,— these are some of the pleasures awaiting those women of Northern San Mateo County who join the "Mother Singers Chorus" of South San Francisco.

In May this year at the State of California PTA Convention in Los Angeles, the Mother Singers will, as in years past, join with other similar groups from all over California to form a chorus of more than 500 voices. This event is always the highlight of the convention, with all of the chorus members on stage, dressed in pastel evening gowns, and singing some of the world's greatest music. All who have heard this great chorus will concur that it is a great, never-to-be-forgotten experience.

The Mother Singers also sing several times throughout the year at local PTA meetings. At the end of the school year, a picnic is held where the families of all the chorus members are invited.

As a part of the Adult Night School program under the auspices of the South San Francisco Unified School District, registration for the chorus is only $2, with a small additional charge for music. The chorus meets in South San Francisco High School's band room each Tuesday evening from 8 to 10 p.m. Previous choral experience is not required.

Paul Thunemann of Belmont, formerly of South San Francisco, directs the chorus. He was formerly choir director of Parkwood Community Methodist Church. In the weekly chorus practices, he devotes a brief "warming up" session to vocal instruction of the group.

Accompanist for the group is Mrs. Ted Thomas. The chorus is also fortunate to have as one of its members, Mrs. H. F. Curtis, music chairman of the 17th District of California Congress Parent-Teacher (CCPT).

Daughter Born To Larsfield Kellys

Mr. and Mrs. Larsfield Kelly Jr. of Daly City became the parents of a daughter, Karen Lynn, born at Children's Hospital, San Francisco, January 12.

The child is the grand-daughter of Mr. and Mrs. Larsfield Kelly and Mr. and Mrs. Anthony Moresco. She is also the grand-daughter of Mr. and Mrs. Forunato Moresco and the late Mrs. Beda Menicucci.

Mr. Kelly is head basketball coach at Serra High School in San Mateo.

Letters To The Editor

Local ACS Leader Expresses Thanks

Dear Mr. Bradshaw:

Thank you so much for the fine contribution that you and the Daly City Record-Westlake Times have made to the American Cancer Society. It has been of special value in the area that benefits by having a newspaper of the high caliber of the Daly City Record-Westlake Times.

In 1913 the American Cancer Society volunteer program was started-making this the pioneer organization to present a solid front in the fight to conquer cancer. They are still the only organization to have a three fold program, Research-Education-Service.

They are second only to the Federal Government in providing funds for Research.

The Education program is important in teaching the public to to its part in protecting itself. This is an absolutely free service. A telephone call to the San Mateo County Branch will provide further information.

The Service program gives personal help as far as can be provided. Our whole program depends on the direct financial support of the public, since we have never been affiliated with any fund raising group.

Through the years, first hundreds, then thousands and now millions have been saved through the efforts of the American Cancer Society. They could not have been so successful without the full cooperation of newspapers like yours. We feel this deeply and are most grateful.

Best wishes for continued success,

Sincerely,
Mrs. Edward Jenanyan,
President

St. Francis Heights Association Meets This Friday Evening

The first regular meeting of 1961 will be held by the St. Francis Heights Improvement Association this Friday evening in Daniel Webster School Auditorium, 425 El Dorado dirve, St. Francis Heights, Daly City.

Thomas F. Noonan, the Association's president, said members would convene at 8 p.m. Important matters pertaining to home owners will be on the agenda. Noonan particularly invites new members who have yet to attend an Association meeting.

Coffee will be served following the 90-minute session.

'Spiritual Food For Thought...'

By The Rev. E. Clark Robb, Seacliff Community Church President, Daly City Ministerial Association

As president of the Daly City Ministerial Association, I wish to accept the invitation of the WESTLAKE TIMES to speak to the community each week through this column. Each time a different member of the Ministerial Association will write. No attempt will be made to speak officially for the Association, unless reference is made to specific action by the group. Rather, each man will write as an individual clergyman, expressing his own views. It is our united hope that the words in this column each week will be enlightening and inspiring, and will contribute toward the spiritual betterment of our community and nation.

Now that the feverish excitement over the Presidential Inauguration is past, the White House, Capitol Hill, and we of Hometown, U.S.A., face the grim prospect of world-wide problems that seem to have no easy solution. At times it seems that our one all-pervading and over-powering problem is: how to gain the initiative against the onward surge of Communism.

Some have suggested that our surest defense lies in a speed-up of scientific research, and a closing of the gap (if one exists) between our military strength and the Soviets'. Surely, these are important. As a chaplain in the U. S. Naval Reserve, I firmly believe in the necessity of military preparedness and strength.

Yet Mr. Eisenhower, is one of his last utterances as Commander-in-Chief, gave a timely warning against the danger of placing our complete confidence and destiny in the hands of an intellectual-scientific-military elite. This makes sense, since our true enemy is not so much military as spiritual. By the Russian premier's own definition, the Communists do not intend to fight a war—as long as they can conquer the world by other means. The "Cold War" is a struggle for the minds and hearts of men. And since Communism is the expression of an atheistic, anti-God philosophy, our best weapon is a resurgence of a vital God-fearing faith—both as a nation and as idividual citizens.

An ancient prophet gave the answers when he wrote, "Not by might, nor by power, but by my spirit, saith the Lord of hosts." This is still our last best hope.

County's Teachers Got $39 Million

County Superintendent of Schools James R. Tormey reports that on January 12, 1961 withholding tax statements were distributed to the school district employees of San Mateo County public schools for the calendar year 1960.

These tax statements reflected total salaries paid amounting to $39,300,316.71 and total federal tax withheld amounting to $5,890,075.92.

Left to right, seated, Sandy Baffico, Simmons and Kathie Oliver. Standing, Mike Connolly and principal Leonard Herbst. The award honored projects completed by students in Simmons' 1959-1960 classes.

Ben Franklin School Projects Bring Honor 2nd Year In Row

Benjamin Franklin Intermediate School has been awarded the George Washington Honor Medal for the second year in a row, it was learned last week.

The award, as expressed in a communication from the Freedoms Foundation at Valley Forge, Pennsylvania, is for "outstainding achievement in in helping to bring about a better understanding of the American Way of Life," and is based partly on three projects completed by eighth-grade students, directed by social studies teacher Paris Simmons.

The projects included a student-conpiled history book, a miniature "history museum" on display at the War Memorial Community Center and a student interpretation of the Bill of Rights.

Only 50-odd schools in the nation, according to Simmons, receive the award, and Broadmoor's Ben Franklin was the only intermediate-level school among them this year.

The medal, a heavy bronze disc five inches in diameter, will be displayed in a glass case in the office of school principal Leonard Herbst.

First Aid Class Scheduled At Red Cross Center

A morning class in standard first aid will be offered starting Thursday, February 2, from 9:30 to 11:30 a.m. at the San Mateo region headquarters of the Golden Gate Chapter, American Red Cross, 1449 Bellevue avenue, Burlingame.

Reservations for the class, or further information may be obtained by calling regional headquarters, DI 3-4561.

The latest emergency methods available are stressed in the classes. Safety experts advise at least one member of each family take a Red Cross first-aid course, and point out that fewer accidents happen to those who have received this training, largely due to improved behavior patterns and a safety-awareness.

A Red Cross certificate will be awarded upon successful completion of the course.

AROUND TOWN

By ROY HURLBERT

CHAIRMAN Lionel Farber of Daly City's library commission certainly is in the "minority" now that the council has appointed two more ladies to the board.

The good doctor is the only male on the five-member panel!

Only one other city commission has a woman among its membership. Mrs. Ann Eason, the high school trustee, voices the feminine viewpoint as a parks and recreation commissioner.

* * *

CITY Attorney Paul Hupf told councilmen Monday night that he has thoroughly "read up" on the habits of boa constrictors, the better to be prepared in substantiating the city's edict against the Westlake resident whose pet snake is scaring the neighbors.

The gentleman who owns the serpent is an Irishman. Too bad the story didn't break around St. Patrick's Daly. St. Patrick was pretty adept in the art of shedding snakes.

* * *

COUNCILMAN Bob St. Clair, in Los Angeles two weeks ago for the Pro Bowl game, was wooed by television and movie moguls as a propective feature performer in a new detective series.

St. Clair said one offer was to co-star with Edward J. Robinson.

* * *

SAN MATEO County's Bar Association is on record for the establishment of two more municipal courts and another superior court. One of the muni courts is suggested for the north end—up this way.

The Association forwarded its resolutions to political representatives in Sacramento, hopeful that some action will be initiated during the present session of the legislature.

* * *

JACK KLEIN, the union official whose front lawn has caused Westlake Improvement Association considerable concern, phoned today and said he's still besieged by phone calls from folks who want to know if the "feud" has been settled.

Klein claims he hasn't been contacted by the Association since he and his lawyer met WSIA officials on December 20.

"They proposed that we meet with the Association's architectural committee, but no such meeting has been set up," Klein stated. "I haven't been contacted . . . perhaps the WSIA considers the matter closed."

Meanwhile, Klein's ivy-patch is "maturing."

* * *

THE county's upcoming charter amendments election will include one bill to make commission appointments the exclusive decision of the board of supervisors.

At present, the supervisors must weight the recommendations of the county manager. Now, the board wants more "direct" control.

* * *

IN CASE you haven't heard, new First District Supervisor Jim Fitzgerald of San Bruno is "replacing" four commissioners originally appointed by his predecessor, Tom Callan Sr. of Colma.

Relieved of their duties were: Daly City's Pete Markovich, County Health and Welfare Board; Jeff High's Mike Orlich, Parks and Recreation Commission; School Supt. Edward Morgan, of Colma, Mental Health Advisory Board; and Jack O'Dea, also of Colma, Traffic Safety Commission.

Callan's eleventh hour appointment of Daly City Water Department Superintendent Gus Ford to the Civil Service Commission detoured another Fitzgerald appointment.

Fitzgerald had intended to appoint a Civil Service Commission replacement, but the incumbent supervisors held that Callan's action was okay by them.

* * *

SCHOOL Superintendents Dick Foster and Ed Morgan, addressing the Chamber of Commerce last week on bond needs, "defended" two projects they "inherited"—circular Vista Mar Elementary and $3.5 million Westmoor High. Both unique plants received nationwide publicity and earned awards for designer Mario Ciampi.

Foster said Vista Mar has many economical and significant features: a concrete roof—making repairs cheaper, solid construction which keeps maintenance costs at a minimum, and durability—"30 years from now Vista Mar still will be in good shape." He also cited that teacher turnover has been reduced considerably by the newer schools and PTA support is exceptional at Vista Mar. "Remember, the site alone is only 4 acres, thus the round shape was feasible."

On Westmoor, Morgan explained that 60 acres seemed like too much, "but someday Westmoor may have to expand and accomodate 4000 students . . . it's our ace in the hole in accomodating projected district enrollment." He stressed Westmoor's "flexibility, . . . every building is completely flexible to meet changes in teaching methods." And he explained that if a smaller site had been purchased, expansion would have brought extremely higher costs per acre.

Both Foster and Morgan, however, left one impression: the district no longer can afford schools like the two mentioned above. Both were somewhat "experimental."

NEIGHBORHOOD Chairmen of the Daly City-Colma Mother's March met Friday afternoon at the home of Mrs. Raymond Fitzpatrick, 21 Midvale avenue, Westlake. January 31 plans for the "march" when the mothers will visit homes in their respective neighborhoods in support of the March of Dimes, were discussed. Picture on left, seated left to right: Mrs. Robert Pardini, Mrs. Phillip Brown, Mrs. John Guastavino, Mrs. Mendel Plansky; standing, Mrs. Felix Moss and Mrs. Saby Eliachar. Right hand picture, seated at table, left to right: Mrs. William Gonzales, Mrs. Frank Fisher, Mrs. Ace Sam, Mrs. Raymond Fitzpatrick; standing, Mrs. Mendel Plansky and Mrs. Chad Reade. Mrs. Ernest Bloom, city chairman for the Mother's March, was not present. Also absent were: Mesdames U. Bovero, A. Brown, K. Kimball, A. Marquez, J. Coughlin, A. Bach, R. Dwyer, E. Laughridge, J. Taylor, G. Ford, J. Cardinale, W. Jones, H. Coil and P. Brown.

Players Needed At San Bruno

The Theatre Workshop of San Bruno announces that readings for its new play, "Natures Way" by Herman Wouk, author of the "Caine Mutiny," will be extended to Monday evening, January 30. Anyone interested either in acting or technical work is invited to the Rollingwood Community Center, 2570 Catalpa Way, San Bruno, at 8 p.m. The play, scheduled for early spring, will be directed by Morgan Upton.

Pershing Students Visit Aquarium

Miss Inez Strauch's first grade class and Mrs. Emma Lockwood's second class at General Pershing School last week visited the aquarium in Golden Gate Park.

They were accompanied by the Mesdames D. Gillen, W. Fleming, J. Lucia, M. Scheidt, Ciolino, Berg, Bender, and Mr. W. Fleming.

BOTH WESTMOOR GRADS

Barbara A. Newcomb Weds John Parker At Lakeside Church

Two Westmoor High graduates were married recently at Lakeside Presbyterian Church by the Rev. Dr. Clark Neale Edwards. Exchanging vows were Barbara Ann Newcomb and John Scott Parker.

The former Miss Newcomb is the daughter of Mr. and Mrs. Austin Newcomb of Colma. She is a past honored queen of Bethel 198 and a 1960 graduate of Westmoor High school.

The groom attended College of San Mateo and is presently stationed at Biloxi, Mississippi with the Air Force. He was a 1958 graduate of Westmoor High School. His parents are Mr. and Mrs. Jack Parker of La Habra, formerly of Colma.

The bride's gown was of taffeta with a rose motif and fashioned with a cathedral train. She wore a crown of seed pearls with an elbow length veil and carried a bouquet of pale yellow roses.

Serving as her maid of honor was Lydia Stolz. Bridesmaids were Donna Dennis and Joan Stewart. Ring bearer was the bride's brother, Alan Newcomb.

The maid of honor and bridesmaids wore dresses of royal blue satin and carried white bouquets.

Serving as best man for the groom was his brother, Webb Parker. Ushers were Robert Garretson and William Spry.

The mother of the groom wore a coffee-colored chiffon dress with lavender accessories.

Mrs. Newcomb's dress was of brown wool. She wore gold accessories.

A reception was held at the Hilton Inn, and the couple left immediately for Mississippi where they will make their home.

Red Cross Thanks School For Gifts

Woodrow Wilson teachers and students received a gracious Thank-U-Gram from the Golden Gate Chapter of the Junior Red Cross in appreciation of the Christmas Gift Boxes and Christmas hats the students sent, Mrs. Eileen Watson of Woodrow Wilson reports.

This recognition for doing service for others added a feeling of warmth and joy throughout the school. In addition, it has inspired many to continue helping others in need.

SHARING traditional honors are Westmoor High graduates Barbara Ann Newcomb and John Scott Parker. They were united at Lakeside Presbyterian Church. Kaufman Studio photo

BAPTIST CHOIRS TO PRESENT "CRUCIFIXION"

Rehearsals for the third annual presentation of the "Crucifixion" began Monday, January 23. The choirs of the First Baptist Church of Pacifica and the First Baptist Church of Linda Mar will combine to make the presentation.

Kenneth Au Young, Choir Director for the First Baptist Church of Pacifica will conduct the performance. Au Young, a native of Hong Kong, first came to the United States on a musical scholarship. He matriculeted in Musical Education from the James Millikin Conservatory of Music in Dekatur, Illinois. He has directed the choir for the Chinese Presbyterian Church of San Francisco and has conducted combined choirs in both the "Messiah" and the "Crucifixion." A resident at 427 Heathcliff drive, Au Young has served as vice-chairman of the Westview Improvement Association.

The "Crucifixion" is a moving protrayal of the trial, crucifixion and death of our Lord Jesus Christ.

California's long dry winter this year is a warning to be careful with fire of any kind, anywhere.

Open House Slated At 'Playmates' Nursery In S.F.

Mothers of pre-school children are urged and invited to attend open house on January 30, 31, and February 1, 9 a.m. to 11:15 a.m., at Playmates Cooperative Nursery School, 36th and Taraval street, San Francisco.

Open house is held in honor of Nursery School Education Week, January 29 to February 4.

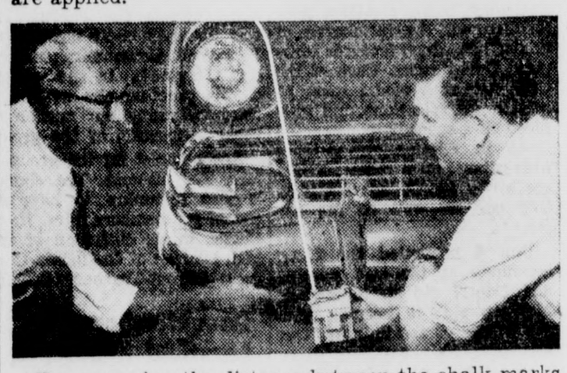
WHAT'S DOING

F. P. Riddle, your Telephone Manager in San Francisco

Starting guns are familiar to most people, but few have heard of a "Stopping gun". It's used in our Defensive Driving course to show how long it takes you to stop your car. That's a "stopping gun" on the bumper of the car in the picture.

The instructor riding in the car pulls a string and fires the "gun" as a signal to the driver to stop as fast as he can. A chalk mark is shot onto the pavement as the gun goes off, and a second mark is made when the brakes are applied.



By measuring the distance between the chalk marks, the driver learns how far his car travelled before he reacted to the noise of the gun.

We pay lots of attention to safe driving at the phone company, and we've found just being alert avoids lots of accidents.

Every telephone employee who drives in his work takes a "Defensive Driving" course.

This special training really works. Our drivers have one of the best safety records anywhere.

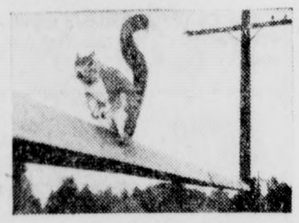
For some unknown reason, squirrels like to gnaw on telephone cables.



Their chewing puts holes in the cable's outer covering and lets moisture get inside. This, in turn, interferes with telephone service.

To protect phone cables, we cover them with metal roofs or wrap them with steel tape.

Squirrels don't like this, but it keeps our cables from being damaged and helps us keep your telephone service dependable.

Have you noticed how more and more products are now covered by guarantees? Cars, electric appliances, TV sets, tires . . . the list goes on and on.

There's one very common item with a guarantee you may not be aware of — your telephone. We guarantee it for life.

We're not pretending it will last forever. Some parts are bound to wear out, and occasionally a phone may be accidentally damaged.

When these things happen, we send a telephone man to fix it. But there's no extra charge. We want you to have good phone service all the time. **Pacific Telephone**

'Ben Gurion In The News' Topic At B'nai Israel

Sabbath Eve services will be held at Congregation B'nai Israel on Friday, January 27, at the Temple, 67 Los Banos avenue in Daly City. Services begin at 8:15 p.m. and are conducted by Rabbi Solomon A. Shore. His sermon topic will be "Ben Gurion in the News Today."

The first membership meeting of the year will be held on Sunday, January 29, in the social hall of the Temple and will begin at 8 p.m. President of the Congregation, Sherman Cohen, urges all members and prospective members to attend as vital issues affecting the congregation will be discussed.

Folk Dance Show Sunday At Kezar

A regional folk dance festival featuring Chang's International Dancers is scheduled for San Francisco's Kezar Pavilion this Sunday, January 29, from 1:30 to 5:30 in the afternoon.

The event is open to the public and is sponsored by the San Francisco Parks and Recreation Department.

Westlake Baptist Church To Host Expert Speaker On Sacred Music

Westlake Community Baptist Church, located at the corner of Southgate and Elmwood in Daly City, will be host to one of the Bay Area's outstanding authorities in sacred music Sunday evening. He is John Minter who will speak about the role of music in worship in American churches today. The meeting begins at 7 p.m. and concludes at 8. Minter will speak to the College-Career group at Pastor Lynn Hodges' home following dismissal of the evening vesper hour.

Minter joined the faculty at Berkeley Baptist Divinity School in 1958 as assistant professor of church music. He was graduated from Lewis and Clark College, Portland, in 1951 and from the Berkeley Baptist Divinity School in 1955.

He became an instructor in music at Berkeley upon his graduation from the school, but in 1957-58 studied at the Union Theological Seminary, working toward his M.S.M. degree.

While at Lewis and Clark College, Minter was a member of the A-Capella Choir for four years, choir president in his junior year, and student director in his senior year. He was also a member of the college glee club, organizer and director of the college quartet, choir master of the Grant Park Baptist Church of Portland for two years, and director of the Portland General Electric Employees Chorus. While still a student at Berkeley he served as choir director at the First Baptist Church of Berkeley, and is again filling that position.

Minter has produced the recordings "Nursery Songs and Rhythms," and "Kindergarten Songs and Rhythms" for the American Baptist Publication Society.

In addition to teaching classes in church music at the Divinity School he is director of the men's chorus and the quartet.

JOHN Minter of the Berkeley Baptist Divinity School will discuss the role of music in worship, this Sunday evening from 7 to 8 as guest speaker at Westlake Community Baptist Church.

Two DC Coeds Win Cal Honors

"Honors at Entrance" awards have been presented to 507 freshmen students who entered the University of California, Berkeley, in the Fall semester.

Among the honorees are Daly City's Nanci Jean Reginelli, 64 Cottonwood drive, and Sandra Stipelkovich, 42 North Mayfair avenue.

Names of the students selected for the award were made public today by James C. Stone, Acting Associate Director of Admissions, and Lea Van P. Miller, chairman, Committee on Undergraduate Scholarships and Honors.

Those honored represent approximately 13.3 per cent of the total number of 3,843 freshmen students who entered the University last September.

To qualify for the award, the student in most cases, must earn "A's" in all but one of the high school subjects on which his admission is based.

Court St. Mary's Big Whist Party Will Aid Charity

Officers and members of Court St. Mary No. 1155, Catholic Daughters of America, extend an invitation to the public to attend the "Mammoth Charity Fund Whist" on Thursday evening, February 2, at 8:30 pm. in the Our Lady of Perpetual Help Parish Hall, 80 Wellington avenue, Daly City.

This major fund-raising project is under the direction of Mrs. Maurice Clark, general chairman. A first award of $10 will go to the highest scorer of the evening. Coffee and cookies also will be available.

Proceeds derived from the evening will help to carry on the many special projects that are the core of the Catholic Daughters three-fold program —charity being topmost.

Mrs. Arthur Dikas . . . Grand Regent Court St. Mary

Court St. Mary helps monthly with the support of Brother Andre of the Trinity Missions, the Court's own Social Welfare program, under the direction of Mrs. Louise Barnard; takes care of tuition for a needy family in the Our Lady of Perpetual Help School each year, gives Christian Doctrine awards, sponsors poetry contests, and donates to various appeals such as the Red Cross.

Following the major fund raising event the Court decides on special needs that are brought to their attention each year. These are but a few examples of the Court's many acts of Charity.

Dads & Daughters To Dance At Mercy

The annual "Sweetheart Parties" for students of Mercy High School and their fathers will be held during February.

The senior-junior dance will be on Thursday February 9, and the sophomore - freshman dance on Friday February 10. Both affairs will be in Barrett and Rist Halls at the school with entertainment and dancing. Refreshments will be served.

The general chairman is Mrs. William Carle and co-chairman Mrs. Joseph Missuraca. Mrs. Albert Rentschler is in charge of the decorations. They will be assisted by: Mesdames Joseph Granieri, Andrew Carniglia, E. B. Warhurst, George Poppin.

Mercy Mothers Plan Dessert-Game Party

The Mercy High School Mothers Guild is having a dessert-game party, Friday February 3 at 8 p.m. This party will be held at the high school, 3250 Nineteenth avenue. This is a party for the entire family, and their friends and neighbors.

The Guild's scholarship fund will benefit from this event.

YOUNG DRIVERS

Although making up less than 14 per cent of the driving population in the United States, drivers under 25 years of age were involved in nearly 29 per cent of the fatal accidents in 1959, reports the National Automobile Club.

Daly City Teacher Gets Results, Acclaim For Assigning Science Program On TV As 'Homework'

By MONA BAKER

Assign a television program as homework? We can hear skeptical comments all around —"why, that can't be done!" Well, it has been done. Now in the second year of conducting such a project is Mrs. Margie Downey, science teacher at Daly City's Benjamin Franklin School, who weekly assigns the award - winning program "Science in Action" (KRON-TV, Mon. 7 pm) as homework for her students. Not only has she proved the feasibility of such a project, but study guides which she developed are now being used in Sacramento schools where students view "Science in Action" over educational channel KVIE.

National recognition has come to her work with the publication of an article written by Nicholas Lafkas in the current issue of the California Teachers Association journal. The article, which is creating widespread interest in educational circles, relates how Mrs. Downey utilized the program as enrichment for her science courses, and the encouraging results which she has had. Also included in the story is a copy of the study worksheet as well as photographs of Mrs. Downey and Benjamin Franklin students discussing the previous evening's program.

Produced by the California Academy of Sciences, "Science in Action" is one of the oldest locally produced programs on the air and has received practically every television award in the nation during the past ten years. Consistently the show has maintained a high level of achievement which makes the program particularly adaptable to student viewing. The exciting world of science is opened to them through the television screen bringing them in intimate touch with many of the great scientists of the world. Program host is noted scientist Dr. Earl Herald, also a Daly City resident.

Commenting on the program, Leonard Herbst, principal of Benjamin Franklin School, said: "Involving children in the selective use of television at home by having them view the 'Science In Action' series with teacher-made study sheets has proved to be a very stimulating experience. Mrs. Downey has helped to add a new dimension to our program in science in that many parents are personally involved in observing a phase of their child's learning. This approach has unlimited possibilities and should help to provide the impetus for others to explore similar areas of enrichment."

Peninsula Camp Fire Girls Begin Annual Candy Sale On February 3

Friday, February 3, is "M-Day" for the hundreds of little girls in the Peninsula Council of the Camp Fire Girls. These pert young ladies dressed in red, white and blue, will begin their annual sale on that day, selling again the traditional chocolate-covered mint which has proven so popular over the past years.

Joining them as they go in pairs to their neighborhood doors will be their junior Blue Bird sisters, accompanied by adults and senior Horizon Club sisters. The youth organization is currently celebrating fifty years of service to American girls.

Proceeds from the sale, which continues through February 22, will be used for girls camperships credits to day or resident camp, supplementing the operating budget of the Council and providing funds for the purchase of a permanent resident camp.

Candy sale chairmen for the local council are Mrs. Donald Johnson, North County, and Mrs. Enid Davis, South County. Assisting them in Daly City is Mrs. Fletcher Vinson, 136 Cerro drive; in South San Francisco is Mrs. John McGrayne, 1268 Miller avenue; in Pacifica is Mrs. R. R. Hensley, 536 Perry drive; and in San Bruno is Mrs. Louis Cucchi, 1778 Kains avenue.

Woodrow Wilson PTA Hears Superintendent Urge Yes On Bonds

Woodrow Wilson PTA members at their last meeting heard School District Superintendent Richard L. Foster explain the need for "yes" votes in the February 7 school bond election.

Wilson PTA officials said members would back the bonds 100 percent by making personal door-to-door contacts prior to the election.

San Francisco ranks first on the Pacific Coast as a financial center and security market.

Our Lady Of Mercy Parish

'Fantasy Daze' Theme Selected For Annual Westlake Festival

April 27, 28, 29 and 30 are the dates, and "Fantasy Daze" is the theme for this year's Westlake Festival of Our Lady of Mercy Church.

After a recent meeting of the festival committee, general chairman Ray Forcina reported that "all committee members are working hard towards the goal of making this year's festival the best one yet."

Decorations chairman Victor Sariotti offered some interesting and unusual ideas that will transform the parish hall into a fairyland of delight, while Mrs. James Davis is collecting the various items that will stock the shelves of booths for general merchandise.

Joint chairmen for the new parish directory, Mrs. James McHugh and Robert Wagner, have asked to be advised of any additions or alterations in the Directory, which is in its final phases of editing. Deadline for the edition is February 15.

Floor chairman Mrs. Albert Bucci reported that all booth workers are busily gathering lovely and unusual items sure to attract the eye of everyone attending the festival.

Joint floor chairman Frank Kelechava announced the addition of a new booth this year. Called "Toys for Boys," it is designed strictly for young men, and is sure to prove as fascinating to them as the Doll Booth is to the young ladies.

The next pre-festival event, sponsored by the floor committee for the festival, will be "Hospitality at Home," on Friday evening, February 3, at 8 p.m. That evening, a large group of women in Westlake will open their homes and issue an invitation to all those wishing to join in an evening of friendly competition. At each home, the game to be played (whether it's Canasta, "Bridge," etc.), will be decided upon, and prizes will be awarded to winners. Several beautiful awards will be featured. Admission is $1 per person including dessert and coffee. Further information may be obtained by contacting Mrs. John Bennett, PL 5-7456.

New Youth Officers To Be Installed At Our Redeemer's

The Hi League of Our Redeemer's Lutheran Church, with members of high school age, will install new officers this Sunday evening at 7. The newly elected officers are John Laursen, president; Brent Cozakos, vice-president; Sarah Tweet, secretary; Robert Freund, treasurer; and Loretta Kimble pocket testament secretary. Pastor Irwin Tweet will conduct the installation. Plans for the new year include a week end in the Sierra skiing, and a five-day national convention in Miami, Florida, in August.

Big Valentine Party Planned By Westlake Y

A delicious dinner, a delightful fashion show, and an evening of dancing. This is the enticing program being planned by the YWCA of North San Mateo County for its big Valentine party at Westlake Bowl on Saturday night, February 4.

Cocktails will be served from 7 to 8 p.m., followed by dinner and fashions from Jay Vee of Westlake. Walt Tolleson's combo will play for dancing from 9:30 to 1. Reservations should be made early, advises Elaine Wolfe, YWCA director.

Chairman of the event is Mrs. Dorothy Orlich.

YWCA'S DANCE TEACHER HAS MUCH TALENT

The YWCA of North San Mateo County has hired Mrs. Judith Newman to teach dancing classes for children in this area.

Mrs. Newman, until recently a resident of New York, began studying ballet at the school of American Ballet when she was eight years old. As a young girl she performed at the Waldorf Astoria, Carnegie Hall and the New York City Center under the auspices of George Balanchine and the School of American Ballet. When the New York City Ballet Company was organized, she danced in the ballet production called "Punch and the Child." Lew Christiansen, the director of the San Francisco Ballet Company, performed in the same ballet. As a college student she studied modern dance and taught basic modern dance technique to children. She also helped to organize classes for modern dance and ballet for children in the Columbia University area.

Mrs. Newman holds a B.A. degree from Columbia University, a substitute teaching license for the city of New York, and has taught for a semester in the latter system.

At the present time, Mrs. Newman is a student at the San Francisco Ballet School and recently performed in the San Francisco Ballet Company's production of the "Nutcracker."

Garden Club Tour Planned

The Daly City Garden Club, in cooperation with Westlake YWCA, will conduct a tour through the Podesta Baldocchi Gardens, 2525 California street, San Francisco, on Wednesday, February 8, from 10:30 a.m. to 1 p.m.

Advice on plants and demonstrations on flower arrangements will feature the tour.

The public is invited to attend. Transportation will be provided by Greyhound buses.

Geo. Washington School Buzzes With Activity

Many activities featured the opening of the new George Washington School on Daly City's east side.

The first meeting of the student representatives was held in the library with James Hough to lay the foundations for student government. Tony Pena was elected president, Jerry Salvador vice-president, Donna Goetz secretary, and Sandra Starkey treasurer. Their present assignment is preparing a constitution.

A Traffic Patrol corps assumed their positions Monday morning to assist students. The patrol is organized with representatives from each room under the direction of Mr. Hough.

The noon athletic league is well under way as each class participates in the tournament under the leadership of Ron Madariaga. There are a boy's team and a girl's team from each class, playing under such names as Tigers, Boones, Carsons, Crocketts, Jaguars, Wildcats, and Thunderbirds.

The first assembly was held in the multi-use room with Lawrence Anderson' sixth grade presenting a play in Spanish entitled, "Una Muneca Para Posits." Miss Sandra Hartmann coached the following cast: Mario Lerena, Jerry Salvador, John Madonich, Deborah Stein, Penny Raggio, Robert Landau, Marilyn Eastman, Marcia Landgren, Michael Novosel, Roy Garcia, Elbert Yee, Gail Hicks, Ronald Santiago, Gail Hicks, Elbert Yee, Vesta Lee, Elvira Rendeiro, Ray Lei, Renata Ellis, Marilyn Hodges and Michael Dessauer.

Carmelo Bantique accompanied the assembly at the piano in singing "America." Jerry Salvador presented an accordion solo, "Cielito Lindo."

ROBIN Frisch (center, front row) was installed new Honored Queen of Job's Daughters Bethel 198 in recent ceremonies at Daly City Masonic Temple. Others in first row (left to right): Joanne Jacobson, Michele Murray, Pat Payne and Yvonne Ford. Second row: Janice Keith, Linda Long, Janice Petrie, Janice Garretson, Carolyn Dennis, Diane Rasmussen, Claudia Howard. Third row: Mary Merkel, Cindy Krueger, Susan Kirschner, Linda Knox, Linda McOwan, Yvonne Felsch. Back row: Lynn Caldwell, Diane Mantzey, Janice Budge, Roe Ann Wilson, Ruth Ann Helsey, Pam Altman.

BUSINESS IS GOOD

Arthur's Of Westlake 'Expanding' ---More Room And New Specialties

Arthur's of Westlake, the men's and boy's clothing store, is experiencing growing pains. Very healthy ones, of course.

Owner Arthur Coleman today reminded patrons that the popular establishment presently is being expanded via a construction program that will provide 36 per cent more selling area, and 200 per cent more space for tailoring and storage facilities.

This work — extending the store on its Lake Merced boulevard side—should be finished early in March. Meanwhile, business continues as usual and customers won't be inconvenienced one bit by the workmen and their equipment.

The "new Arthur's, set for a grand opening debut about March 15, will include the introduction of a very complete men's footwear department, featuring Florsheim shoes and Evans Casuals as the main brands. Also making its debut at the store will be a complete-line hat department, with Dobbs hats featured.

The store's expansion will mean expansion of the existing men's clothing, sportswear and furnishings departments, and also the establishment of a fine gift department for men and expansion of the boys' and young men's sections.

Coleman has operated the busy store at 136 Westlake Court the past five years, building a reputation in the men's apparel field for outstanding lines in men's and boys' clothing, expert tailoring facilities, and a unique credit plan. Prior to coming here, Coleman was well known for his store in the West Portal district of San Francisco—a facility he operated for six years.

W'moor Students 'Junior Teachers' At Vista Mar

Vista Mar Elementary School, in cooperation with Westmoor High, is involved in a junior teacher recruitment program composed of four students who are members of the "Teachers' Club" at Westmoor. This group is composed of two sophomore students and two juniors. Resident teachers accepting these students for classroom observationare: Helen Boyle and Mary Wade, who will be working with Diane Pulsifer and Leslie Kasper, juniors, and Jeannie Fiorello and Joanne Pulsifer, sophomores, working with resident teachers Jeannette Hakes, third grade, and Margaret Dweyer, second grade.

Experience in classroom observation, supervising organized games, under the direction and planning of resident teachers, mixing paints, arranging bulletin boards, and incidental classroom and outdoor activities will be the areas to which these students will be assigned.

BEN GURION'S SPEECH TOPIC OF SHAPIRO

Rabbi Robert W. Shapiro's topic this Friday evening at Congregation Judea in Westlake will be the recent comments on American Jewry by Prime Minister Ben Gurion of Israel. The session starts at 8:39 p.m. in the Temple House, 95 South Mayfair avenue in Westlake.

The Judea Men's Club will hold a general meeting this Thursday, January 26, at 8:30 p.m., in the Temple House.

The Sisterhood's Annual rummage sale will take place on Monday, February 6, from 9 a.m. to 4 p.m., at Larkin Hall in San Francisco. All proceeds are donated to the Temple Judea Religious School.

Beginning what is to become an annual event at Temple Judea, the Men's Club and Sisterhood will join to present a dinner dance on Saturday evening, February 11, at the Stonestown "Y". Members and their friends are invited.

The Youth Group of Temple Judea has planned an evening of social, musical, and cultural activity at the home of Carole Cooper on January 28. For those who are not members and are interested in joining and in taking part in this event, call the Temple Office for further information.

New DC Library Assistant Talks To Local Club

A good-sized, interested audience turned out for the Friends of the Library's annual meeting, at the new library on Southgate last Thursday evening. Unit president Mrs. Thomas E. Brewer announced that the scheduled speaker, Mark Harris, was unable to appear because of illness.

After reports by Mrs. Frank Kelechava, treasurer, and Mrs. U. R. Kendree and H. Z. (Ted) Weibel, chairmen of membership drive and Thursday Matinee Book Reviews, Mrs. Brewer introduced Sam Chandler, city librarian, with the remark that "once again San Chandler has stepped into the breach and found us a speaker."

With a few brief remarks Chandler introduced his library assistant, Nils Erik Brodin, a young man who has traveled extensively and who revealed from his first well-chosen words to his final summing up a broad knowledge of the history of art and a deep appreciation of its contribution to everyday living. He spoke briefly on each of the reproductions which line the walls of the meeting room and with the aid of Chandler, who assisted him by holding up the unframed pictures, discussed several artists not otherwise represented.

Among those present was Mrs. J. Henry Mohr of the San Francisco Library Commission and William Holman, who has recently accepted the post of San Francisco Librarian. The former spoke briefly on National Library Week to be held in April and expressed the hope that Friends of the Daly City Library would be able to mark this event in some way.

The meeting then adjourned to enjoy the refreshments served by Mrs. Williard Barton assisted by Mrs. Hoke Garrison.

Lake Merced Nursery Taking Registrations For Spring Semester

Lake Merced Co-operative Nursery School is now accepting registrations for its spring semester. An affiliate of the San Francisco Council of Nursery Schools, the Lake Merced school offers valuable training for youngsters ages 2½ to 5.

Each mother contributes one morning a week at the school; assisting the permanent staff of highly qualified personnel. The children enjoy a multitude of activities—storytelling, music, block-building, playtime, and special excursions.

Eagles To Celebrate 52nd Anniversary As Local Unit Next Week

Venerable William Sweeney Sr. will be the guest of honor on Thursday, February 2, at Eagles Hall when the Daly City-Colma Aerie 1848, Fraternal Order of Eagles, celebrates its 52nd anniversary.

Sharing honors for the "Old Timers Night" program will be Sweeney's fellow charter members — Larry Shaw, James Poket, E. Rodgers, J. Rehaume, H. Shapiro and A. Lowans.

Four members with 40 years membership, and 13 members with 20 years membership will be presented service pins.

Chairman of the event, Otto Schramm, says the dinner bell will ring at 7 p.m., with Chef Art Davis preparing the menu.

Eagles' president Cliff Cofield asks all past presidents to be present to participate in the initiation of new members.

Residents interested in joining the local Aerie should contact secretary Dell Fehl, PL 5-0504, for full particulars.

Cofield reminds that the initiation fee "is a mere $5 and persons 18 to 50 are eligible."

'Home Group' Meets Scheduled By B'moor Presbyterian Church

The members of Broadmoor Presbyterian Church will be invited to a series of four meetings in homes of the congregation during February and March on the first and third Wednesday evenings. This nationally sponsored program of the denomination is called the "Koinonia Group" program. Koinonia is a Greek word used by early Christians to denote sharing their common inierests.

These eight home groups will be led by men of the church with the home hosts providing refreshments. Mrs. Rex Spruiell is chairman of the local church committee. Herbert Tweedie is the pastor.

(a) The purchasing of school lots.
(b) The building or purchasing of school buildings.
(c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
(d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
(e) The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
(f) The permanent improvement of the school grounds.
(g) The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to-wit, the providing of sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

At said election there will also be submitted, as **Proposition No. 2**, the question of whether this Board shall be authorized to accept, expend and repay an apportionment in an amount not to exceed $900,000.00 from the State of California under and subject to the provisions of Chapter 10 of Division 14 of the Education Code of the State of California.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

The bond election hereby called has been and the same is hereby consolidated with the apportionment authorization election hereby called within the territory affected by said consolidation, to wit, said School District; and the election precinct, polling place and voting booths shall be the same and only one form of ballot shall be used thereat which shall be in the form provided by the Governing Board of said District for use at said consolidated bond election and apportionment authorization election, on which shall be set forth the propositions hereby submitted to the qualified electors of said District. The election officers shall be the same for each election and said elections shall be held in all respects as if there were only one election.

For the purpose of holding said election, the District shall be and it is hereby consolidated into one (1) Election Precinct, numbered 1 as hereinafter described; and the persons hereinafter named being competent and qualified electors of said District, and of their respective Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Election Precincts as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precinct, polling place and election officers, duly designated and appointed are as follows:

ELECTION PRECINCT NO. 1 shall include all the area embraced in San Mateo County Election Precincts designated as Brisbane Precincts 1, 2, 3, 5, 6 and 7; and a portion of Brisbane 4; and portions of Bayshore 1 and 4.

POLLING PLACE therein shall be at BRISBANE ELEMENTARY SCHOOL.

Officers of Election for said Election Precinct:

BERNICE BLANCHARD
Inspector
ANNA MARTIN
Judge
GENEVA JOHNSON

LOCAL STUDENTS COMPETE FOR SCHOLARSHIPS

High school science and mathematics students who will be in line for over $2,000 in scholarships have been selected, according to Dr. H. C. Ries, chairman of the Engineers' Week scholarship committee.

The students, over fifty of them, have been selected by their schools as the outstanding science or mathematics student. Each student will be interviewed by a group of prominent local engineers who will make final selections of students for each of the ten zones. The ten zone winners are to be interviewed this month at the University of California.

Winner of the $1,000 National Engineers' Week scholarship will be named along with the $600 runners-up scholarships at the banquet at the Sheraton-Palace Hotel on February 23.

Dr. Ries announced, among local winners and their schools, the following: Eileen Marie Hawker, Jefferson High, and Ronald M. Townsend, Westmoor High.

First Graders Visit City's New Library

The first grade classes of Mrs. Sally Manuel and Mrs. Paula Shepard at Vista Mar School are culminating their social studies unit of work on "Community Helpers" with a trip to the new Daly City Library. The children will be given an opportunity to see how the library functions. They will be able to secure forms to obtain library cards of their own.

The trip is also planned to stimulate interest in using their reading skills by borrowing books from the local library. It will be climaxed with a story read to the classes by the librarian.

Adult School Opens The Gates To Profit, Pleasure!

NORTH COUNTY RESIDENTS URGED TO REGISTER NOW

75 SPRING SEMESTER EVENING COURSES BEGIN FEBRUARY 6 AT EIGHT LOCATIONS

Spring Semester Adult classes offered by the Adult Evening Division of Jefferson Union High School District will open during the week beginning February 6. Classes are slated at eight different locations. Most classes will be offered at Jefferson and Westmoor High schools. However, classes are also available at the War Memorial Community Center in Daly City.

In the city of Pacifica, classes are held at Linda Mar Elementary School, Sharp Park Elementary School and Vallemar; also Bayshore and Brisbane. Louis J. Martin, principal of the Adult Evening School, announces that when Terra Nova High School, located in Pacifica, opens its doors next September it will offer the adults of the community a full complement of adult classes.

More than 75 classes will be offered beginning February 6 covering approximately ten general instructional areas, such as Academic subjects, Americanization, Arts and Crafts, Business Education, Foreign Languages, Homemaking, Industrial Education, Family Life Education, Physical Education and other special interest classes. All of these classes are specifically designed to meet the needs and interests of everyone in the community.

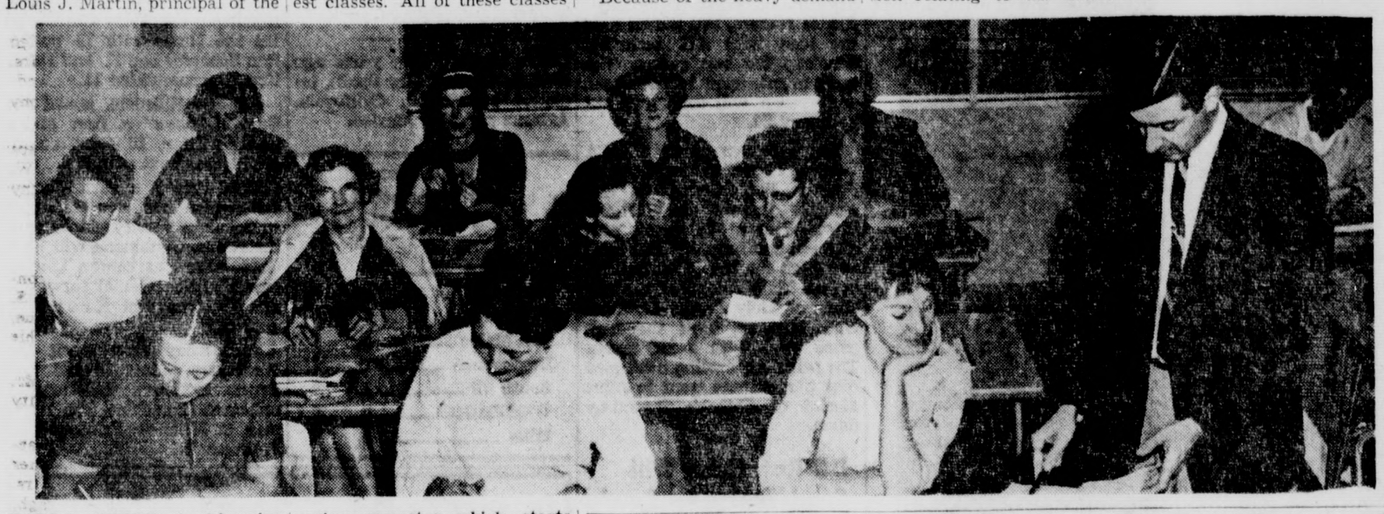
Classes are open to any adult over 18 years of age regardless of training or education or to high school graduates.

Brochures were mailed to over 2200 adult students last week. Class schedules are now available, giving details, and will be mailed to your home by calling PL 5-1162 between 8-5 p.m. After 6:30 p.m. call PL 6-3434 or PL 5-6661. Secretaries are on duty to assist you. In addition, class schedules may be obtained in all public libraries.

Because of the heavy demand of some classes it is necessary to pre-register in advance by calling PL 5-1162. Waiting lists are then established, and as vacancies occur or new class sections added, you will be notified. They are as follows: Driver Education, Driver Training (Behind-the-Wheel), First Aid, Upholstery, and Swim lessons.

Persons interested in a particular class should go directly to the classroom for its first scheduled meeting as shown on the Spring Schedule and register with the instructor. The instructor will provide registration cards as well as information relating to the class. A registration fee of $1 is charged each semester. This entitled students to take as many classes as they desire. Two classes carry special fees in order to cover added expenses. They are $12 for driver training, which includes five lessons, and $3 for five swim lessons. In all classes adults are expected to pay for textbooks or materials which are sold at cost.

Students are reminded that they may take classes scheduled at any location as there are no residence requirements. The semester starts on February 6 and ends on May 25.



PABLO PEREZ, bookkeeping and accounting teacher, explains to a recent class how to balance a business ledger. This class will continue during the spring semester which starts next month under the auspices of the Jefferson Union High School District.

SOMETHING FOR EVERYONE

Fifteen New Classes Offered Due To Heavy Public Demand

Fifteen new classes are being offered starting the week of February 6, because of increased public demand. In the Academic area, Consumer Math is scheduled for the first time and will be taught by Mr. Don Kepfer of the Westmoor staff. This subject covers all phases of arithmetic as it relates to the business world.

Mr. Clifford Braun, Chemistry Instructor on the Jefferson staff, will teach a Science Laboratory Workshop with emphasis on laboratory experiments to explain the many problems and phenomena in the world in which we live.

Miss Julie Jansen teaches World Affairs: Trends and Issues. In the United States and in the world today there continues to be many history-making changes that affect all of us. This class will provide many lively discussions centering on —U.S. Foreign Policy, Africa, Laos, Cuba, Algeria and other key areas. The use of television (KQED) Chanel 9 will be employed as well as guest speakers and films.

In the Foreign Language field, Conversational German will be offered for the first time. Mrs. Sofie Eisenberg, who has her doctorate degree from Columbia University in foreign languages and also teaches Conversational French, will conduct the class.

Mr. Frank Pustay, building expert and contractor, plans a new class called Home Repairs and Maintenance. Mr. Pustay's background includes several years of practical experience in all kinds of building and construction work. Every type of home repair, maintenance and construction will be covered, from repairing a light switch to the addition of a new room to your home. Excellent basic knowledge about materials and labor to help home handymen will be covered. The course includes lectures, discussions, and demonstrations of the various parts of the house such as foundations, framing, roofing, flooring, plumbing, electrical, etc. The class will be flexible so that students can discuss and receive help for their specific problems.

Business Machines Operation, taught by Mr. Roland Boldt of the Westmoor business department, will be limited to 18 stu-

How Can You Earn A Diploma?

According to Louis J. Martin, principal of the Adult Evening School, the demand and registration for classes carrying high school credit has almost doubled since last year. The Jefferson Adult Evening School is the only adult school authorized to issue a high school diploma in northern San Mateo County. The Sequoia Adult School is the only other school and is located at the south end of San Mateo County.

Most classes can be taken by adults for credit leading to a high school diploma. Last year 13 diplomas were awarded to successful students who were seeking self improvement. Interested persons should telephone PL 5-1162 for more information, or come to Jefferson or Westmoor high school any evening except Friday after 7 p.m. for individual counseling.

If adults have had any previous high school training, or satisfactory work experience they may be given credit. Graduation from the Adult Evening School is based on the successful completion of not less than 150 units of work. The state of California and the Jefferson Union High School District requires 30 units of English, 10 units of U.S. History, 5 units of Civics, 10 units of Mathematics, 10 units of Science, 2½ units of First Aid, 2½ units of Driver Education, and 80 units of electives. An elective may be any other subject not covered above.

Adults who plan to take classes for credit for the first time should contact Mr. Martin's office now in order that a program may be planned.

THE fine art of tailoring a suit keeps these ladies busily occupied in their Jefferson Adult School class. This class meets at Westmoor High School four nights each week. Others are held at War Memorial Community Center in Daly City on Monday and Friday afternoons. For adult school information—a new term starts next month, call PL 5-1162.

Two Non-Profit Nursery Schools For Small Tots

The Jefferson Adult Evening School co-sponsors two non-profit Nursery Schools for children 2½ years to 5 years. These are non-profit organizations. The children attend nursery classes from 9-12 a.m. Mothers take turns assisting the directors during the week. One evening each week all of the mothers attend a workshop headed by the director of the school and discuss problems relating to the children. Guest speakers and movies are used to hight-light a particular phase of the program.

The Colma Cooperative Nursery School is located at 92nd and Dunks street, Colma, and its director is Mrs. Kay Seghetti. Telephone PL 5-7961 for more information.

Serving the city of Pacifica at the First Baptist Church, 610 Edgemar (Pacific Manor), is the Pacifica Nursery School. Its director is Mrs. Lillian Heine, telephone FL 5-4465. For more information call her.

Enrollment Mounts— More Gals Than Guys Taking Night Courses

The Adult Evening School conducted a survey during its 1960 fall semester. The survey showed that 2125 adult students enrolled in all classes, an increase of 95% over the previous fall semester. Of the 2125 adult students enrolled, 1408 were women, a ratio of 2 to 1 over the men.

Most of the students came from the Westlake area, and the second largest number from Daly City, east of Junipero Serra and Colma. About 450 residents of the Pacifica area attended classes, a marked increase over the previous year's enrollment. It was also noted that over 250 persons from San Francisco attended classes here. The survey also showed that distance apparently was not a factor to some students as they came from as far away as Mill Valley, Montara, Sausalito, San Mateo and La Honda. Occupations listed were housewives, ministers, teachers, doctors, and many other skilled trades. The most popular areas were: Homemaking, Academic subjects, Business, Industrial Education, Arts and Crafts and Americanization.

In 1959, eighty adults were taking classes leading to a high school diploma. Last semester the survey showed 140 adults enrolled in the same program.

'Americanization' Classes Lead To Citizenship Papers

The Adult School's Americanization program consists of two main subject areas: Classes for those who desire to get their citizenship papers, and classes for adults who want to improve their English-speaking and writing skills.

If you have friends or know of neighbors who would profit from these classes, please inform them of the following classes. All of the teachers speak several languages so that communication is made very easy. Students learn at their own pace.

In Pacifica, at Linda Mar Elementary School, a class is held in Room 10 from 7-10 p.m. on Thursday evenings. This is a combined class of English for Foreign Born and a Citizenship class.

At Westmoor High School, a Citizenship class is offered on Mondays from 7-10 p.m. in Room 7.

At Jefferson High School a Citizenship class is offered on Thursdays from 7-10 p.m. in Room 10.

English for Foreign Speaking is as follows: Beginning English, Tuesday and Thursday, Room 32, 7-9:30 p.m.; Intermediate English, Tuesday and Thursday, Room 33, 7-9:30 p.m.; Advanced English, Monday and Wednesday, Room 32, 7-9 p.m.

For further information call PL 5-1162 or visit the school.

MOTHERS from Colma Cooperative Nursery School, one of the two non-profit nurseries sponsored by Jefferson Union High School District, discuss problems concerning their 2½ to 5-year-old children. Director Kay Seghetti of the Colma Nursery led the above conclave on pertinent topics of interest to parents of pre-schoolers.

Unconquered Capuchino Cagers Wallop Indians!

SPORTS

Capuchino Outclasses 'Ice-Cold' Jefferson Basketballers, 68-48

Jeff High's slow-starting varsity cagers suffered an early jolt Friday night as the Indians were overwhelmed by swift and strong Capuchino, 68-48, on the winners' court.

The setback left Capuchino alone atop the Peninsula League with a 3-0 record. Coach Mike Orlich's Indians are 2-1 and this week tangle with Mills (0-3) and Westmoor (0-3.

Jeff still figures in the championship picture, but it won't be until February 17 until the Daly City hoopsters have a chance to square accounts with Capuchino. On that date the Indians will host the San Bruno powerhouse in an evening battle here.

"We played lousy ball against Cap," Orlich commented as he said the Indians hit only 15 of 54 field goal attempts and floundered on the free throw line—missing 19 out of 36 there.

Guard Gary Molossi, who led the way as Jeff edged Hillsdale last week, 45-43 in overtime, collected 17 points against Capuchino. Greg Rodgers of Cap was game high with 22 big points. His total included 14 free throws! Mustang John Baugh had 18 and Randy Rothman, Cap's pacemaker, connected for 15. Bobby With of Jeff tanked 13 points in the runaway affair.

The encounter was close only in the first quarter which ended with Cap in front, 19-16. The San Brunans then poured on the steam and were ahead 36-23 at halftime. It was 50-36, Jeff behind, entering the final period.

"You can't say much when you aren't hitting, especially on free throws," decalred Orlich. "We just had a bad evening. Next time we will do better . . . I don't see how we could ever repeat that cold performance."

Sonny Stoller's layup shot gave Jeff its mid-week triumph over tough Hillsdale. The tilt was see-saw near the finish, although Jeff had to rally to overcome an early 29-15 deficit.

Coach Rich Warne's improving Indian lightweights dropped a pair last week—52-32 to Hillsdale, and 49-47 to Capuchino. The latter scrap was won on two free throws in the last six seconds. Stewart Sibley continued his hot pace for the Jeff 30's with 18 points against Cap.

Pacifica Club Seeks More Golfing Ladies

The newly organized Pacifica Women's Golf Club still welcomes more members, a spokesman announced today.

Play is at the Sharp Park and Harding courses.

YWCA Schedules Dancing Classes For Youngsters

The new children's dancing classes sponsored by the YWCA of Northern San Mateo County are starting the week of January 30 under the teaching of Mrs. Judith Newman of the San Francisco Ballet.

Boys and girls from 3 to 6 years will meet at the Westlake Clubhouse on Tuesdays from 10 to 11 a.m. for those who have had lessons. The beginners will start at 11 a.m. There is also a beginners class meeting at the War Memorial building on Mission street on Mondays from 1 to 2 p.m. Girls from 6 to 12 years who have had dancing will meet on Mondays at 3:15 and at 4:15 at War Memorial building. Girls who have had lessons may also come Tuesdays at 3:30 and at 4:30 for the more advanced at the Westlake Clubhouse. A beginning class for girls 6 to 12 years will meet on Fridays at 3:30 at Westlake Clubhouse.

Fifteen New Adult School Classes Told

dents. This class is designed for employees who work in small or large business firms and is designed to develop a knowledge in the operation of office machines. Students will learn to use various duplicating machines, adding machines, calculators, transcription machines, and the electric typewriter.

Also in the field of Business Education, Mr. William R. Morgan, a resident of Westlake, will conduct a class called Securities and Investments. Mr. Morgan plans to center his discussion on stocks and bonds, operation of stock exchange, methods of investing, advanced and speculative technique.

Electrical Shop — a class in basic electricity, home oriented, will be taught by Mr. Leslie Vogt, a member of the Westmoor teaching staff. His class will consist of one-third lecture time followed by two-thirds laboratory work. Students will learn about the applications of electricity, fuses, circuits, recognize appliance malfunctions, wiring diagrams, lamp circuit repairs, extension cord repairs, use of testing instruments, electrical circuits in the home, AC and DC motors and a light review of radios and their problems.

A class entitled Interior Decoration should prove of value for all homemakers. Mrs. Lillian Kersnar, home interior decorator, will conduct the class and will have several guest speakers and consultants to assist her. Sample topics to be covered are color, floor coverings, drapery and window treatment, furniture, paintings and wallpapers, lighting and accessories, etc.

Garden enthusiasts will enjoy a class called Home Gardening. Mr. Harry E. Nelson, a Westlake resident and head of the department of Ornamental Horticulture at San Francisco City College, currently a writer for the Garden Page of the San Francisco Examiner, will teach the class. Mr. Nelson, a lecturer and garden consultant for over 30 years, plans to cover in his discussions such topics as soils, bulbs, roses, kinds of shrubs and trees for this area, pruning, lawns, fertilizers, house plants and their problems and many other subjects.

On Friday afternoon between 1-4 p.m., a class called Advanced Tailoring will be offered. This class meets at the Daly City War Memorial Community Center, Mission and Alp streets. Mrs. Louise Fambrini, instructor, also teaches sewing classes at Linda Mar Elementary School and at Jefferson High School.

Big Spaghetti Feed At Jeff Aids Students

There's a big spaghetti dinner scheduled for Thursday, February 16, at Jefferson High School's cafeteria.

It's being sponsored by the Jefferson High School PTA and has become one of the most popular family dinners in the area.

The purpose? To raise funds for the Student Welfare Fund at Jefferson High School. Often times, financial assistance is needed by students and through Dean of Girls, Miss Ada Wood, and Dean of Boys, Donnal Behm, this may be obtained.

Who may attend? Everybody in Daly City and its outlying communities.

Ticket chairman Mrs. Marian Plansky says tickets are now on sale.

Mr. and Mrs. A. Castle are co-chairmen of the affair.

It's News To Vets

San Mateo County Veterans' Service Officer, Floyd D. Granger, has pointed out that under state laws, no registration fee or license fee need be paid for any one motor vehicle owned by a veteran who has lost, or has lost the use of, both legs or who has suffered permanent blindness as a result of injury or disease suffered while on active duey in the armed forces of the United States.

(Excepted are duplicate license plates, certificates or cards, or plates for a commercial vehicle).

The Department of Motor Vehicles, upon proper registration of such a qualified veteran's vehicle, will provide special "VTN" license plates free of charge. However, the service officer declared, those veterans who have "VTN" plates are reminded that renewal notices must be made out or corrected, and returned to the Department of Motor Vehicles, even though no fee is to be paid.

Such renewal notices are marked with a red stripe. When returned to the DMV, the validating sticker for 1961 will be issued to the veteran.

Applications for obtaining "VTN" plates are available at District Offices of the Department of Motor Vehicles. REG 217 is the application form for exemption of vehicle registration, and REG 256 is for statement of the veteran's disability.

State law also provides that any paraplegic or disabled veteran, who is entitled to the exemptions provided in the Vehicle and the Revenue & Taxation Codes, is allowed to park his vehicle in restricted zones except at times and places where stopping, parking or standing of all vehicles is prohibited absolutely by state law or local ordinance.

'Modest Bonus'

Yankees Sign Ex-Jeff Hurler Walt Carlson, 6-4 Brisbane Product

Lanky Walt Carlson, who toiled for Jefferson High's varsity nine two seasons ago, last week was signed to a baseball contract by the New York Yankees.

The 6-4, 190-pound Brisbane youth will report to spring training in March. He has been assigned to the Yankees' Auburn farm club in the Class D New York-Pennsylvania League.

Former major league infield standout Dolph Camilli, the Yanks' busy Pacific Coast scout, inked Carlson after he tutored Walt in the recent Peninsula Winter League. Marino Pieretti, former Pacific Coast League mound great, also rated Carlson tops.

Carlson, 19, said he signed for a "modest bonus."

Walt attended College of San Mateo after leaving Jeff, but then he quit, presumably to concentrate on baseball while also working.

Walt's father, an elevator mechanic, moved the family to Brisbane 12 years ago from New York City's Bronx section. Mr. Carlson and his wife, Irene, also have a daughter, Linda, 8, a student at Brisbane School.

Walt performed only one season at Jeff — during his senior year. The big righthander had lots of speed, but had to work hard on "control." Later Walt was a standout in the Examiner Baseball School and pitched in the East-West prep all-star game.

"The Yankees, like other clubs, like 'em big and strong. Carlson certainly has the size and the attitude to succeed in the pro game," today commented his coach at Jeff, Steve Mezzera.

He has been assigned to Hamilton AFB, California, according to M-Sgt. Phil L. Wells, local Air Force Recruiter. Bush attended Westmoor High School.

Engle Proposes 'Summit' Meet On Narcotics

Calling for "a sweeping assault on the nation's narcotics problem," Senator Clair Engle (D-Calif.) urges that a White House Conference be planned to focus national attention on the problem.

The California legislator is author of a resolution which would place the 87th Congress on record in support of the conference.

Introducing his resolution in the Senate January 13, Senator Engle said, "The situation has become so serious in the last few years that we can no longer disregard the need for a new and bold approach to the problem."

He explained that his resolution calls for a White House Conference similar to those held on education, youth and aging.

Senator Engle said it would also recommend steps to be taken in coordinating activities of governmental agencies and suggest machinery for a program of continuing international consultation on narcotics problems, particularly between the United States, Mexico and Canada.

In addition, his proposal would have the Conference take up the problem of a Federal-State hospitalization program, as well as other aspects of the problem of narcotics traffic and addiction.

Senator Engle said, "The traffic in narcotics keeps increasing every year. The number of narcotics arrests in California tripled between the years of 1952 and 1959."

Police Officer 'Man Of Week' At W'lake Bowl

All the bowling activity is not in San Bernardino this week at the Bowling Proprietors' Association of America All-Star Tournament. Here in Daly City, Police Officer Rich Brewer of Daly City took Bowler of the Week honors at Westlake Bowl with a 244 game and 639 series. Rich is a very important member of the 101 Club, Westlake Towing, and AAA Bowling Supply teams. Waitress Dottie Tener took Bowler of the Week honors for the feminine side as she rolled a 208 game on her way to a 639 series.

In the current First Annual Westlake Mixed Doubles Tournament, Art Pira and Bill Sargis took over the early lead with a 1298 total. Rich Cryer and Jack Thur held second place with 1247. In the optional singles feature, Bill Sargis held the lead with 461 including handicap for two games. The tournament, open to both men and women, will continue until February 26.

Peggy Brown of the YWCA League regained her title as Powder Puff Queen in this monthly feature at Westlake Bowl. With a 538 series, plus a 98 pin handicap, her 636 total was high for the 36 girls competing. Mary Adams of the A-1 Nursery, Holy Angels Mothers' Guild League, took the high game prize with a 190 game. The prize for bowling most pins over her average went to Alice Masini of Esther's Beauty Salon.

DC Rotarians Will Send Teams To Bowl Tourney In San Jose

D. Robert (Bob) Burns will present a special program at today's Daly City Rotary Club meeting at Westlake Bowl. The craft talk will be given by Robert Lehman, monument company owner.

Last week Dr. Louis Minkin, DC Rotary president, announced that the local club will send a team to the California-Nevada Rotary Club bowling tourney at San Jose, February 4-5. Participating will be Minkin, Burns, Monte Dayton, Dr. Bernard L. Thompson, and "anchor man" Alfred O. Belotz.

The white fir produces an annual crop of seeds which measure ½ to ¾ inches in length.

Winless Ram Cagers Host Title-Hungry Indians This Friday

Westmoor High's winless (0-3) varsity cagers face additional tough going this week with Peninsula League games against San Mateo and town rival Jefferson.

Coach Tony Giammona's Rams, losing to Burlingame and Hillsdale last week, face San Mateo (2-1) down south this afternoon. This Friday night at 7:30 Westmoor plays host to Jeff (2-1).

Westmoor's lightweights, coached by Byron Van Alstyne, also have yet to register a league victory. Last week the local 130-pounder played good ball but succumbed to Burlingame, 55-49, and Hillsdale, 42-37. Gary Mendoza had 15 and Rich Harter 14 points for the Rams against Burlingame. Center Harry Brown was high with 15 in the Hillsdale clash.

Giammona's varsity simply was overpowered by the taller Burlingamers. Terry Christman led the Rams with 13 points. Ron Schaefer had 11, and Barry Krohn accumulated 11.

Against Hillsdale, guard Joe Butorac "won" a first string berth with a 10 point effort. Krohn was next with 8.

This Friday against Jefferson, which has won 8 out of 10 previous varsity games over the Rams, Giammona will have Gary Allard at center, Christman and Schaefer at forwards, and Butorac and Krohn at guards.

Wednesday next week the Westmoor quints invade San Bruno to brave the fury of unbeaten Capuchino. The Rams play at Mills on Friday night, February 3.

'Sedankhana' Here Sunday

The Volkswagen Club of California will stage a "Sedankhana" this Sunday, January 29, starting from the parking area between Lincoln and Edison schools on Southgate avenue in Daly City. The first car will roll at 11 a.m.

The event is open to all foreign sedans up to 1600 cc displacement. No seat belts or helmets are required.

One hundred fifty years ago Mexico, then held by Spain, included present-day California, Arizona and New Mexico.
